I hereby declare that the publication of my dissertation is approved by the doctoral committee (Promotionsausschuss).
I also declare that the digital version of my dissertation corresponds to the original version in form and content.
Deviations of dedication, acknowledgement and curriculum vitae are permitted.

The mandatory printed copy and the digital version (OPARU) are identical.

The printed version differs from the digital version in the dedication and/or acknowledgement and/or curriculum vitae.

I hereby declare that Ulm University shall have the rights to store my dissertation and associated materials on digital storage systems, to publish them in public networks and to forward them to the German National Library for storage and public access.

If the dedication, acknowledgement, curriculum vitae and/or other personal data is included in the digital version, I hereby declare my approval to store and publish it/them, too.

I assure that I have not modified this declaration.
